

Photo Release -- Industry Leaders Join Iridium to Announce the Launch of Aireon(SM)

MCLEAN, Va., June 19, 2012 (GLOBE NEWSWIRE) -- Former U.S. Secretary of Transportation, Norman Mineta, discussed the benefits of space-based air traffic surveillance at a Tuesday, June 19, 2012 press conference hosted by Iridium Communications Inc. (Nasdaq:IRDM) regarding the planned launch of a joint venture between Iridium and NAV CANADA called Aireon. Mineta was joined by Don Thoma, CEO and president of the newly-formed Aireon, Iridium CEO Matt Desch, and NAV CANADA CEO John Crichton.

A photo accompanying this release is available at <http://www.globenewswire.com/newsroom/prs/?pkgid=13350>

AireonSM will provide seamless global surveillance of air traffic for the first time to air navigation service provider customers, with NAV CANADA being the first when the service is available beginning in 2017.
