

Iridium To Present At June Investor Conferences

MCLEAN, Va., May 29, 2021 /PRNewswire/ -- Iridium Communications Inc. (Nasdaq: IRDM) ("Iridium") today announced that Company executives would participate at two investor conferences in June:

- The William Blair 41st Annual Growth Stock Conference on Wednesday, June 2, 2021 at 3:00 p.m. ET.
- The Sidoti Virtual Investors Conference on Wednesday, June 23, 2021 – see website for presentation time.

Presentations from each conference will be webcast on the Investor Relations section of Iridium's website at <http://investor.iridium.com/events>. Each webcast will be archived at the same location for seven days.

About Iridium Communications Inc.

Iridium® is the only mobile voice and data satellite communications network that spans the entire globe. Iridium enables connections between people, organizations and assets to and from anywhere, in real time. Together with its ecosystem of partner companies, Iridium delivers an innovative and rich portfolio of reliable solutions for markets that require truly global communications. In 2019, the company completed a generational upgrade of its satellite network and launched its new specialty broadband service, Iridium Certus. Iridium Communications Inc. is headquartered in McLean, Va., U.S.A., and its common stock trades on the Nasdaq Global Select Market under the ticker symbol IRDM. For more information about Iridium products, services and partner solutions, visit www.iridium.com.
