

Iridium to Participate in Investor Conferences

MCLEAN, Va., Feb. 20, 2024 /PRNewswire/ -- [Iridium Communications Inc.](#) (Nasdaq: IRDM) ("Iridium"), a leading provider of global voice and data satellite communications, today announced that Company executives would participate in two investor conferences:

- The Raymond James 45th Annual Institutional Investors Conference on Monday, March 4, 2024 at 4:00 p.m. ET.
- The Deutsche Bank 32nd Annual Media, Internet & Telecom Conference on Tuesday, March 12, 2024 at 2:40 p.m. ET.

Presentations from each conference will be webcast on the Investor Relations section of Iridium's website at <http://investor.iridium.com/events>. Each webcast will be archived at the same location for seven days.

About Iridium Communications Inc.

Iridium® is the only mobile voice and data satellite communications network that spans the entire globe. Iridium enables connections between people, organizations and assets to and from anywhere, in real time. Together with its ecosystem of partner companies, Iridium delivers an innovative and rich portfolio of reliable solutions for markets that require truly global communications. In 2019, the company completed a generational upgrade of its satellite network and launched its specialty broadband service, Iridium Certus. Iridium Communications Inc. is headquartered in McLean, Va., U.S.A., and its common stock trades on the Nasdaq Global Select Market under the ticker symbol IRDM. For more information about Iridium products, services and partner solutions, visit www.iridium.com.
